

MOTOGIRO D'ITALIA

made in italy 

MOTOGIRO D'ITALIA 2013

RULES EXTRACT

The event, structured in 6 days of journey and one dedicated to the scrutiny, is a TIME TRIAL event (MOTORAID) founded on: transfers, time check controls, time and stamp check controls and ability trials, that will take place in the localities described in the check cards.

Moreover, MOTOGIRO D'ITALIA, will be also, for those who will want, a TOURIST LONG DISTANCE event (RAID).

The time average in the check cards, will be calculated below 50 km/h.

In the Ability Trials, the time survey will be calculated at one hundredth of second, and in the Time Check Control, at one minute.

We will agree the first 250 contestants, in order with the pre entry fee payment; for the following others, we will create a waiting list.

VEHICLES ALLOWED

§ HISTORICAL RECALLING CATEGORY

§ The mentioned years are about the standard model produced and not about the vehicle registration.

§ Motorcycles in sport setting produced up to 1957/58 and with the following swept volume:

Class up to 100 cc. – Class 125 cc. Class 175 cc.

Class up to 250 cc. – Scooters and motorcycles produced in 1966/1967/1968

CLASSIC Class – Motorcycle from 320 cc. of every trade mark and produced from 1968 up to 1978.

(As you can see in F.M.I. – Italian Motorcycle Federation – list)

MOTOGIRO D'ITALIA TOURIST CLASS

Vehicles produced from 1980 up today in every swept volume and typology (scooters, sidecar outfits, etc..) divided as follow:

§ **RACE CLASS** – for those who would like to take part at the event carrying out check controls and ability trials, and for this, to take part at a separate TOURIST RESULT (RACE Class will be divided in motorcycles and scooters and a separate result will be drawn up).

§ **TOURIST CLASS** – for those who will follow the event as simple tourists and, compulsory, will have to carry out some stamp check controls, to preserve the average per hour and anyway to not advance the Historical Category vehicles transit, as in the check control places, as at the arrivals.

- Moreover there will be an ESCORT (ACCOMPAGNATORI) CLASS for those who would like to take part at the event as escorts and to benefit from all the services, without carry out any check control or trial.

RESULTS

A daily result will be drawn up for each category and an absolute final result, also, based on the penalties sum and the cumulated hundredths of second along the check controls and the ability trials in every singular stage.

A teams result will be drawn up.
